TRADE MANUAL

In the Gibbston Valley, surrounded by mountains, bluffs, wineries and breweries, you will find the Thrill Seekers' paradise that is Oxbow Adventure Co.

Founded on a strong belief of fun, adventure, and camaraderie, our one-of-a-kind adventures give Adrenaline Junkies from all walks of life an incredibly unique and unforgettable experience.

Originating back in 2012, operations first started on the banks of the Clutha River, overlooking a particular section of the Clutha where an 'Oxbow' had formed. After a few years of hosting corporate groups, the owners wanted to share their epic playground with everyone and bought this dream to life at a new location in Gibbston Valley, near Queenstown. Following 18 months of ground works and development, Oxbow Adventure Co. as we know it today was born!

Located just 15 minutes from Queenstown airport, the new site in the Nevis Bluff, Gibbston Valley has a purpose-built Jet Sprint Boat racetrack, an Off-Roader course, and a Clay Bird Shooting range.

With our core value 'one step ahead' at the forefront of everything we do, our unique experiences are world firsts.

DEFY THE LAWS OF GRAVITY!

If you're looking for the best off-roading experience in New Zealand, this is it. Take a ride in the Ultimate Off-Roader, our one-of-a-kind, custom-built all-terrain vehicle that goes everywhere. It's one of the most unique adventure experiences that you can have in Queenstown, perfect for adrenaline junkies and thrill-seekers.

Built for Oxbow by New Zealand Off-Roader Champion, Dan Cowper, this is the only place you can experience such a unique activity!

The Ultimate Off-Roader is a 4-Seater vehicle, which carries our trained professional driver and three passengers. Our Ultimate Off-Roaders are 4-wheel drive, 4-wheel steer, and have an extremely low centre of gravity, allowing them to practically go anywhere.

Our custom-designed compact sporting field is equipped with eight automatic clay bird throwers to suit all abilities; it also includes the run-away rabbit across the ground (don't worry, it's not the real thing!) For the more experienced shooters or those wanting an extra challenge, we offer the choice of a 25 or 50 Bird 'Flurry'. Scoring cards are also available.
